*Please refer to [the applicable flow chart](#) for your application type for additional information on the process for reviewing Planning Board applications. This date is simply a suggestion; you are encouraged to submit your application **as soon as possible**. Most applications go through at least one round of revisions prior to being deemed complete (10 days for Site Plans or 30 days for Subdivisions). Once your application is deemed complete, the Town Planner and Code Enforcement Officer will confirm the Planning Board meeting that your application will appear on.

**Meeting dates are typical; dates are subject to change or be added.
